### WHO ARE WE?

## About Mercy Raine

Mercy Raine LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) freight brokerage and government contracting company delivering nationwide logistics across all 48 contiguous states. We move dry van, reefer, flatbed, sprinter van, box truck, specialized, and partial/LTL freight for commercial shippers, federal agencies, and prime contractors — with 24/7 dispatch, transparent pricing, and mission-driven service.

Beyond domestic freight, we coordinate international and cross-border logistics. Our team combines veteran discipline with modern broker technology to deliver reliable capacity for steel & coils, dedicated lanes, spot freight, and government-compliant shipments.
